It is a fact known to all that are posted that frosted corn dries out very slowly, and that it heats quickly in very small quantities. It should not be gathered until thoroughly dry, but should be allowed to remain on the stalk in the field. In this way once dry, it will make good food for both hegs and cattle, and keep sound just as well as if it never frosted.

THE GREAT REMEDY FOR ALL

DISEASES OF THE BLADDER AND KIDNEYS.

This Remedy has stood the test of time, has been weighed in the scales of public opinion, and to-day has an army of men, women and children, who over their own signatures bear testimony to its curative properties. Some have been cured of Diabetes, some of Bright's Disease, some of Inflammation of the Bladder, some of Cutarrh of the Bladder, some of Incontinence of the Urine, some of Leucorrhon, or Whites, some of pains in the Back and Loins, some of discases of the Prostate Gland.

For all Diseases arising from a diseased state of the Bladder and Kidneys, this Remedy stands without a Rival.

Without a rival in the number of cures effected; without a rival in the purity of its composition; without a rival in number of bottles sold. The annual sale of Smith's Extract of May Flower exceeds the sales of all

other Kidney Remedies combined. DR. ELI IVES, says : "That in many aggravated cases, when Buchu had failed to produce any benefit, May Flower has effected a speedy

DR. J. H. BIRD, says: "I have found May Flower to be a remedy for all Kidney complaints, far superior to Buchu or Juniper." DR. H. F. MARTIN, says: "May Flower acts more promptly in all diseases of the Bladder and Kidneys than any remedy which has come

under my notice." DR. BENJ. H. LONG, says: "I have found May Flower exceedingly beneficial in my treat-

ment of females." DR. VINC. D. HUYVETTER, says: "Withoutdoubt May Flower is destined to work a revoluttion in the treatment of diseases peculiar to

the urinary organs." DR. KING, in compiling his dispensatory, has paid a merited tribute to this remedy. See page 396 King's Dispensatory. A number of authorities might be quoted, bes

there are none more eminent than the names above. In addition to these authorities, a living host of 60,000, whose certificates are on file in the office of the proprietors of this remedy, bear testimony to its virtues.
